2nd Edition -- Revised to MvnDate.py v0.2 Season Order

How to Use This Book

The Mvindicraft sacred year consists of four seasons of seven days each, for a total of 28 days. The year runs Spring -> Summer -> Autumn -> Winter, beginning on the First of Spring. Each day is identified in the dual-calendar format: the [Day] of [Season] in the Year [Y] Anno Dantavius | Anno Domini, where Anno Dantavius is the Mvindicraft year count reckoned from the founding of Mvindicraft (2020-10-11), and Anno Domini is the corresponding real-world calendar year noted for reference.

For example: the server launch on 20 February 2026 is the First of Spring in the Year 71 Anno Dantavius | Anno Domini. Each 28-day Mvndi year is approximately 28 real-world days, meaning Mvindicraft time runs far faster than Anno Domini time, accumulating 70 full years of lore between founding and launch.

IMPORTANT -- 2nd Edition Season Order: This edition has been revised to match MvnDate.py v0.2, which orders the seasons as Spring(0) -> Summer(1) -> Autumn(2) -> Winter(3). The server launch date (2026-02-20) is therefore the First of Spring, Year 71. In the 1st Edition the year began with Winter; it now begins with Spring per the updated calendar script.

The Four Seasons and Their Liturgical Meaning

Spring (Days 1-7): Advent, Nativity & Epiphany. As the world awakens, the Church waits for the Light. The Annunciation, the Nativity, the Epiphany, and the Presentation fill these days.

Summer (Days 8-14): Lent, Passion, Resurrection & Pentecost. As creation blazes, so Christ blazes on the Cross and rises again. Ash Wednesday, Holy Saturday, Easter, the Ascension, Pentecost, and Trinity Sunday.

Autumn (Days 15-21): Trinity Season & Insular Saints. The harvest is at hand. All Saints, the great Doctors, the mystics, the missionaries of Britain and Ireland flourish in the fullness of summer's turning.

Winter (Days 22-28): All Saints, Martyrs & Eschatology. The year ends in the cold. Archangels, martyrs, evangelists, apostles, and lastly Christ the King -- whereupon the year turns again to Spring.

The Three-Tier Feast System

Tier I (gold) -- Primary Cycle: Solemnities and principal Feasts. Observe all 28 Tier I feasts in sequence for 'Year One' of the calendar.

Tier II (purple) -- Secondary Cycle: Feasts and Memorials. Observe on a second pass through the 28 days for 'Year Two.'

Tier III (navy) -- Tertiary Cycle: Memorials, Doctors & lesser Feasts. A third pass for 'Year Three.' Communities may also observe multiple tiers on the same day.

The Two Daily Lectionary Sessions

Every day provides a Morning Mass (the first session) and an Evening Mass (the second session), each containing an Old Testament reading, an Epistle, and a Gospel from the King James Version. A community meeting once selects either session. Communities meeting twice observe both in order.

Rubric: On Solemnities and Double Feasts, the lectionary of that feast takes precedence. The minister may add a Psalm between the Old Testament and Epistle.
